# REG AT A GLANCE

OUR PURPOSE & PATH, MISSION-VISION

Nestled in the scenic heart of Jharkhand, Ramgarh Engineering College was established by Govt. of Jharkhand and has been operated by the Techno India Group under PPP since 2013, enhancing its reputation and operational efficacy for the last 10 years.....

## • ESTABLISHED LEGACY AND ACADEMIC EXCELLENCE

Founded with the support of the Government of Jharkhand, Ramgarh Engineering College has upheld a tradition of academic excellence for over a decade. Affiliated with Jharkhand University of Technology (JUT) and approved by the All-India Council for Technical Education (AICTE), the college ensures rigorous academic standards and regulatory compliance.

## • DIVERSE ACADEMIC PROGRAMMES

Our institution offers a comprehensive range of undergraduate programmes, including Civil Engineering (CE) accredited by the National Board of Accreditation (NBA), Computer Science & Engineering (CSE) Electronics & Communication Engineering (ECE) accredited by NBA, Electrical Engineering (EE), Mechanical Engineering (ME). This diverse curriculum is meticulously designed to meet contemporary industry demands and foster holistic development among our students.

## • STATE-OF-THE-ART FACILITIES

Our campus features modern laboratories, advanced workshops, and specialised research centres. Seamless Wi-Fi connectivity supports collaborative learning and access to extensive online resources.

## • HOLISTIC DEVELOPMENT AND FUTURE READINESS

Beyond academics, our vibrant campus life includes extracurricular activities, cultural events, and technical societies. Career counselling, soft skills training, and robust placement support prepare graduates for successful careers.

## • ENGAGEMENT AND INNOVATION

We actively cultivate partnerships with industry leaders, facilitating experiential learning opportunities and impactful industry collaborations. This proactive engagement enhances the practical relevance of our programmes, equipping graduates with the skills, knowledge, and adaptability needed to thrive in a dynamic global economy.

## • OUR VISION

To emerge as an institute of excellence in the field of Engineering and Technology based on quality education and research activities leading to produce competent, responsible engineers and overall a good human being who will be innovators and entrepreneurs to serve the industry, society and our nation at large.

## • OUR MISSION

Imparting quality teaching and learning process throughout the curriculum.

Fostering Industry Institute Interaction for quality teaching, training, research, project management and consultancy.

Ensuring value based education focused on environmentally sustainable society.

Promoting exchange of thoughts on technological research, innovation and entrepreneurship for the benefit of the society.

## CHAIRMAN'S MESSAGE

**E**ver since its inception, Techno India has been motivating students across the nation thereby justifying its worldwide repute. 30 years of academic experience coupled with an eminent faculty base, world class infrastructure and exceptional research

facilities have triumphed in setting Techno India apart from the rest of the educational institutes. Our undergraduate, postgraduate and doctoral candidates have shown remarkable performance in their respective fields on account of the high-quality education imparted by our distinguished professors. In the scientific era that we presently reside in, tuning our future flag bearers to cater to the current technological advancements of the century has to be paid utmost importance. Students at our institute have been meticulously groomed to perform exceptionally well in the global market. We are immensely proud of our illustrious alumni who have been placed in top-notch organizations over the past few decades which shed light on the magnificence of Techno India. Promoting healthy collaborations between industry and academia has been one of the main objectives of our institute. Every year, top-tier companies recruit innumerable deserving candidates from our organization which is a testament to the friendly ambience rendered at our institution and definitely, the strong technical knowledge of the students.

I wholeheartedly welcome engineering aspirants to explore boundless opportunities for a successful career and future through a comprehensive teaching-learning process at Techno India Group institutes.

**Best Wishes**  
**PROF. (DR.)**  
**GAUTAM ROYCHOWDHURY**

## VICE-CHAIRMAN'S MESSAGE

**I** am always proud of my association with the young and evergreen minds of my students of Techno India. This group has already established its name in the mind of this country. It has become global with the establishment of Techno Global University in USA.

A country is known by performance, culture and conduct of his/her countryman. An institute is also known by an index of acceptance by its student by the society. Techno India has become an icon in this country by the best performance of its students. This is achieved by tireless and collective effort of founders, teachers, staffs and students of this group and its institutes. Students of Techno India have excelled in all spheres of activities. They have excelled in academics. They have also excelled in co-curricular and extracurricular activities. I feel proud for the students, faculties and staffs of the Techno India. In the year 1985 saw the birth of a luminous star of learning in the educational horizon

The star later blazed trail across the Indian sky, guiding thousands of students to scale the heights of success in their careers, professions and enterprises. Today, the beacon stands tall on massive pillars, having stamped indelible imprints on the glorious academics tradition of India. This is the story of Techno India Group for Education, the brain child of the great visionary, Professor (Dr.) Gautam Roy Choudhury, someone who redefined educational standards by providing it as gateway to the immersing market driven global economy.

**Best Wishes**  
**PROF. MOHIT CHATTERJEE**

Ramgarh Engineering College

A Legacy of Excellence

Established in 2013, Ramgarh Engineering College (REC) is a distinguished institute operating under the Public-Private Partnership (PPP) mode, initiated by the Government of Jharkhand. Formerly known as Government Engineering College, Ramgarh, REC has emerged as a beacon of technical education in the region, fostering innovation and academic excellence

# AFFILIATION ACCREDITATION & ASSOCIATION

## APPROVALS

Ramgarh Engineering College is approved by the All India Council for Technical Education (AICTE) since its inception in 2013, ensuring adherence to national standards of technical education.

## AFFILIATION

REC was affiliated with Kolhan University from 2013 to 2017. Since 2018, the institute has been affiliated with the Jharkhand University of Technology (JUT), aligning with Government of Jharkhand guidelines through the Jharkhand Technical University Act 2011.

## ACCREDITATION

In 2021, two flagship programs of Ramgarh Engineering College (REC)— Electronics and Communication Engineering (ECE) and Civil Engineering (CE) —earned the prestigious NBA accreditation, a testament to their academic rigor and quality. The current accreditation is valid until July 2027. REC holds the distinction of being one of the youngest institutes in India to achieve this milestone and has consistently maintained its accredited status

To  
 The Principal  
 Ramgarh Engineering College,  
 Ramgarh, Jharkhand- 832108

Subject: Further accreditation status of the programs on the basis of Compliance Reports submitted by Ramgarh Engineering College, Ramgarh, Jharkhand- 832108.

Sir,

This is regarding Compliance Reports submitted by Ramgarh Engineering College, Ramgarh, Jharkhand- 832108 for the UG Engineering programs which were accredited by NBA in Tier II for Academic Years 2021-2022 to 2023-2024 i.e. upto 30-06-2024. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
1.	Electronics & Communication Engineering	Tier-II June 2015 Document	Accredited	Academic Years 2024-2025 to 2026-2027 i.e. upto 30-06-2027	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Civil Engineering		Accredited	Academic Years 2024-2025 to 2026-2027 i.e. upto 30-06-2027	

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for further 3 years Ramgarh Engineering College, Ramgarh, Jharkhand- 832108 should submit fresh online application under SAR Tier II Document through eNBA portal not before five months from the expiry of validity of accreditation mentioned above.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Ramgarh Engineering College, Ramgarh, Jharkhand- 832108 as a whole. As such the institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously wherever and whenever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in table in paragraph 7, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of the Visiting Team in respect of the above programs is enclosed.

Yours faithfully,  
  
 (Dr. Anil Kumar Nassa)
