

The TEQIP-III project will cover all Government Funded Or Aided engineering institutions of the state including Affiliating Technical University of the State, as per the eligibility criteria prescribed in project norms in two rounds of selections.

The Project, Third phase of Technical Education Quality Improvement Programme (referred to as TEQIP-III) is fully integrated with the Twelveth- Five-year Plan objectives for Technical Education as a key component for improving the quality of Engineering Education in existing institutions with a special consideration for Low Income States and Special Category States (SCS) and support to strengthen few affiliated technical universities to improve their policy, academic and management practices – **As per NPIU**.

Under TEQIP III we Modified the Engineering Laboratories Like:

- Language LAB.
- MATLAB Network LAB.
- Operating System LAB. etc

Each of our laboratories are well equipped and Standardized As per AICTE.

NPTEL Local Chapter:

Being a NPTEL Local Chapter our college is eligible to access all online and offline video lectures from Eminent professors of IITs and IISc. All the Remote lectures from them available on live streaming also.

- Currently We are running all the Online Courses from NPTEL (MOOCS) in each semester.
- Now we have 19 Registered Mentors for various courses.
- At present we are one of their Examination Centers from Eastern region.
